

Expression of Interest (EOI)

TechnipFMC is a global leader in oil and gas projects, technologies, systems and services. Our integrated offerings range from individual products and services to fully integrated solutions with a single interface to ensure seamless execution. We provide expertise across three distinct segments: subsea, onshore/offshore, and surface technologies.

For upcoming project in Suriname, Wellhead and XT systems plus the associated manifolds, control systems, hydraulic and electrical distribution and offshore installation tooling packages.

As a result of our commitment to the development of the people and utilization of the resources in the countries where we operate and to support our future operations in-country, we are inviting companies/service providers to submit an Expression of Interest (EOI) for the upcoming opportunities in the area(s), as listed below. The supply/service(s) would be performed in Suriname.
